‘Golden Goa Is Really A Romanticised Myth’

The retired General who is the current Chief Minister of the state, Pramod Sawant, has been accused of engineering the recent surge in violence against the people of Goa, particularly the minorities. The situation has become so volatile that several political leaders have called for a peaceful resolution. However, the government has refused to take any action against those responsible for the violence. The issue has become a matter of concern for the people of Goa, who are calling for justice and peace.
